Experience yourself in color, line, movement and form!

- What are the elements that make up a good painting?
- What makes for a good painter?
- What is important to you as an artist?

These are no questions for right or wrong. This is a checklist for artists to develop their own unique approaches. There are several principles that support an artistic project:

Art is the joy to live your potential. Express yourself!
Follow the enthusiasm! Your Joy is your orientation.
Make Mistakes. You don't have to fear mistakes, there are no.

We focus on individual – authentic, artistic – and human unfolding.
The workshop provides theory, exercises in sensual perception and lots of practice.
Participants learn about various techniques and possibilities of using acrylic color.

No previous knowledge is required. Prices for the PAINTING LAB: 2 participants: € 45.- / per person; 3 participants: € 35.- / p.P.; 4 and more participants € 30 / p.P.
Artist supplies are not included. Art materials are available in the studio for additional costs, you can also bring your own material, then there are no additional costs.
